Plaintiff alleges:

I. INTRODUCTION *I pursuant to*

1. Title 42 United States Code: Human Rights and Civil Rights go hand in hand. The Plaintiff has been denied his secured, unalienable and constitutional rights, he has endured physical abuse/assault, denial of due process(?), fraud by the court and was denied full disclosure from defendant/parties bonded and sworn to under specific oath of office to protect the Rights of the Plaintiff.

Plaintiff was always without the venue and having no contract with the State of Oregon and it's private for profit courts, of which such courts are 'administrative courts,' that do not recognize the U.S. Constitution and yet displays the 'Admiralty Gold Fringe Flag.'

The instant matter contains no controversy as all parties are in agreement to the Tort Claim(s) filed to/with State of Oregon Risk Management and Clackamas County Risk Management, asserting monetary damages of \$850,000,000,00 (Eight Hundred Fifty Million Dollars) as referenced herein, and with supporting affidavits, documents, etc. The Defendants having failed investigate the claim, having refused to rebut Plaintiff's affidavits, and/or initiate settlement, and Defendants having a duty to respond, failed and/or refused to do so, therein agreeing with Plaintiff and Defendant's silence equates to agreement and defendants silence establishes a 'Nihil dicit judgment,' and Defendants are in agreement with the following facts:

- 1) The Plaintiff, many times, was summoned and/or brought into such Court under 'vi et armis,' under threat duress and coercion, into State of Oregon's

CIRCUIT COURT FOR THE COUNTY OF CLACKAMAS Case #16CR07655;

*Errors and omissions are consistent with intent
Reserve the right to change or amend with newly
discovered evidences*

2) Said CIRCUIT COURT FOR THE COUNTY OF CLACKAMAS was the 'beneficiary' for the said cause of action (commercial statutes/crimes) and whereas all officers of the State and Court(s) are Trustees.

3) Wherein this CIRCUIT COURT FOR THE COUNTY OF CLACKAMAS 'action' was commenced and the commercial charges were laid upon the name of the 'Debtor/Ens legis/Trust-Estate,' RONALD KENNETH STRASSER, an entity, wherein the State of Oregon had 'charged' 'it' by and through the D.A.'s office, for commercial business, for the Circuit Court to obtain unjust enrichment via undisclosed 'commercial charges,' fines, bonds or otherwise for the benefit of the Court, State of Oregon and otherwise.

4) Wherein the 'Administrative officer' aka; judge asked, the natural man within the courtroom; ronald kenneth strasser; are you 'Mr. STRASSER?' ('this entity'), the administrative officer (judge) in reading the charging instrument wherein the name: RONALD KENNETH STRASSER, as written is designated as a corporation pursuant to Title 15 USC and not addressed to the natural man present, this is NON FULL DISCLOSURE to trick the Plaintiff, to unknowingly make 'joinder' with the entity as to volunteer and to be the liable, culpable and responsible party. The Plaintiff stated, "No! I am not Mr. STRASSER" (meaning the corporate entity named on said presentment).

5) At which point, it is presumed that the administrative officer (judge) gave a signal to security (Sheriff deputies) of which then Sheriff deputy O'keefe came to Plaintiff and grabbing Plaintiff's arm, twisting it and forced him to the floor, started to beat upon Plaintiff when four (4) or more, other deputies came to where Plaintiff was on the floor and joined in, in assaulting and aided in beating Plaintiff

while on the floor, inflicting great pain, etc., (as detailed in Plaintiff's affidavit # 10192018-5/AFF/RKS) in front of witnesses and on camera. Note; that no crime had been committed and no statutory violation had occurred.

6) Said assault and beating upon Plaintiff was reported in 'The Oregonian-- OregonLive Newspaper article dated April 18, 2018 by Noelle Crombie, where in reported; "... (Officer) O'keefe asked his supervisor, Sgt. Corey Smith, to be assigned to ^{the RKS} courtroom where Strasser's case would be heard so he could assault him..." (Attached hereto).

7) Affidavit of Julian Tavera, Item # 08262018-1/AFF/JT/RKS witnesses the assault and battery upon Plaintiff. (Attached hereto).

8) In a co-related Federal US District Court - Portland Division, Case No. 3:18-cv-2060 Complaint, Plaintiff, was a Clackamas County Sheriff Officer, and stated on page 4, paragraph 15.; "Plaintiff overheard Deputy O/Keefe (hereinafter, "Okeefe") ask(ed) Smith to be assigned to the courtroom where Ronald Strasser would next appear so that O'Keefe could "beat the shit out of him." ...and a similar statement was made on page 9, under Count 3, sub-paragraph F. ...and on page 13, paragraph number 65, it states; "Plaintiff witnessed the conspiracy to battery and thereafter the violent assault on a ^{crippled RKS} ~~disabled person~~, Ronald-^{Kenneth RKS} ~~Strasser~~. Eighth Article of Amendment to the 'Bill of Rights' pertaining to 'cruel and unusual punishment' may apply herein.

Notice to Principal is notice to agent – notice to agent is notice to principal

Dear Katy Coba (C.O.O.), Shelly Hoffman (Manager) & Michael Baker (Claim Adjuster), et al:

In regards to your unidentified/unsigned letter dated November 5, 2018 as sent to RONALD KENNETH STRASSER, the Ens legis/Trust/Estate, in and for the private man; ronald kenneth strasser, please be advised of the following:

1) The mention of State of Oregon, Yamhill County, Multnomah County, Clackamas County, Yamhill County Sheriff's Office, Portland City Police, was to give notice of the unlawful actions engaged upon ronald kenneth strasser otherwise known as Rape-Pillaged and Plunder by Oregon's 'color of law' corporate legal system over many years. In no manner was those other Counties named in the current tort matter.

2) Per your comment to "a claim against the State of Oregon," and reference to ORS 30.275, please note that your statute(s) state; "(4) 'Public body' means; (a) The State and any department, agency, board or commission and any instrumentality thereof. Note; ... Instrumentality rule. "...where a corporation (subsidiary is so organized and controlled and its affairs so conducted as to make it only an adjunct and instrumentality of another corporation (parent corporation), and parent corporation will be responsible for the obligations of its subsidiary. (Black's Law Dict., 6th edition, page 801). State of Oregon DUN'S Number; 932534998.

3) (5) "State" means the state or any branch, department, agency, board or commission of the state.

Are not the 'Counties' a branch of the State? Are not the Counties an 'agency' of the State? Do not the Counties pay over collected taxes to the State of Oregon? ...and if so, is not Clackamas County then an 'agency' of the State of Oregon ...'of' implying (defined as) 'belonging to.'

4) The information as presented in the Tort claim(s) [there were at least three], one most recent one to be concerned with was sent USPS Registered Mail, Number RE 250 137 381 US, Dated 10-19-2018, and the specific information as you mentioned was, in accordance. To ORS 30.275, in that the Tort Claim Notice did describe the date, time, place, circumstances of the incident and the named tort feorsors. Please note the rule is; 'substance over form!'

Please note that a final Affidavit was sent to your DAS Office by Registered Mail, Number; RE 041 618 393 US, Dated Oct 20, 2018, having the ID Item number; 10192018-5/AFF/RKS.

Please be advised that as of the date of your office receiving this communique, the Affidavit as referenced above, has not been rebutted and is to be construed as 'fact in the record of this matter.'

As to your comment in your letter to ronald kenneth strasser in regards to myself as his 'Authorized Representative' as well as your 'unsigned' letter to me dated November 5, 2018 on the same issue, please note:

- 1) ronald kenneth strasser 'appointed' me as his authorized representative, in the nature of one having P.O.A, to assist him in his tort claim issue. in that we are working on this together .
- 2) ronald kenneth strasser exercised his right to do so pursuant to Article 1, Section 1 of the Oregon Constitution (your compact/contract) i.e.; "...the people have all power..." and he, being one of the people exercised that power in his Sovereign capacity, within his right to contract. [is it your admission and confession that you and your office (DAS) is denying and/or impairing ronald kenneth strasser's right to contract and appoint whomever he sees fit to assist him in his tort matter?

Also note; due to the current commercial 'Public Policy' brought on by the U.S. Bankruptcy (1933) wherein U.S., Inc., the States and Counties are insolvent; the UCC, as 'Federal Common Law' states that One has a "...Right to a remedy without the use of a tribunal..." UCC 1-201(34) ...as applied herein to ronald kenneth strasser tort matter.

Both STATE OF OREGON and D.A.S./RISK MANAGEMENT are 'Trustees' and as trustees, you are well aware that you are not to injure the beneficiary; ronald kenneth strasser and stultifying his Tort claim, as the/a Beneficiary would be construed as an injury.

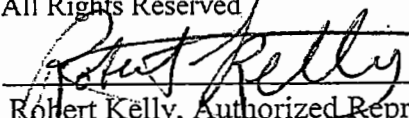

We presume you well understand the severity of ronald kenneth strasser's claim of being assaulted and beaten on the courtroom floor with witnesses, on camera, having PTSD and certified as being crippled, all the while with having not violated a law nor injuring another man in the courtroom.

Ronald Kenneth Strasser / ronald kenneth strasser reserves all his rights at all times and waives no rights at ant time.

I/We thank you in advance for your time in this matter and I remain,

Sincerely,

Black's Law Dict., 6th Ed., page 530.
- 27) Stultification of claimant's 'right of action,' by County officers (DA Assistant) acting, stating that "They, found no wrong doing by the Deputy (Daniel Joseph O'Keefe)" in respect to the assault and beating.

That on or about 6 July 2017, sometime after 9:00 A.M., at/in CLACKAMAS COUNTY CIRCUIT COURT building/Clackamas County Court building (re; Case No. 16CR51766) within the court room displaying the Admiralty flag of martial jurisdiction in an 'administrative hearing/session, administrating the bankruptcy, 'national Emergency; though not disclosed to the natural sentient man; ronald-kenneth:strasser, with the alleged charge(s) laid/charged against the ens legis Trust entity; RONALD KENNETH STRASSER,)STRASSER RONALD KENNETH within the County of Clackamas, Inc., State of Oregon, Inc., claimant; ronald-kenneth:strasser was yet seated outside the Bar in court room 1#, in the second row, first seat when the deputy district Attorney Sara A. Brooks, OSB #133105, had said case NO.16CR51766, STATE OF OREGON vs. RONALD STRASSER and the Circuit Court Judge Jeffery S. Jones did state to ronald "are you MR STRASSER?"

ronald at that time said "no I am, not, but I am, here in regards to that matter, and Judge Jeffery S Jones then did state "well ok, then it will be a \$25,000.00 'resisting arrest"; and then ronald, did stand up, to say excuse me, what did you say, "pardon me, pardon me sir?" ...and again 'administrator, Judge Jeffery S Jones did say "that will be a \$25,000.00 warrant," and then at that time, Clackamas County deputy sheriff Daniel Joseph O'Keefe / DANIEL JOSEPH O'KEEFE went over towards ronald and pointed his arm and hand at ronald who was yet or still outside the bar and did say to ronald three times; that, you are MR. STRASSER; you know you are MR STRASSER; you are sitting right their MR STRASSER. Note; that, the 'administrator, Judge Jeffery S Jones / JEFFERY S JONES did not at any time cause to be delivered to ronald by the bailiff the Warrant for ronald to accept for value and return it to the bailiff for settlement and closure of the commercial charges laid against the ens legis Trust entity; STRASSER RONALD KENNETH.

Then, without probable just cause, deputy sheriff Daniel Joseph O'Keefe, DANIEL JOSEPH O'KEEFE did walk over to ronald, grabbed his hair and twisted ronald's arm behind ronald's back and then slammed ronald, down forcibly onto the floor; and then, commenced to and did beat ronald senseless and un-conscience committing assault and battery and deputy Daniel Joseph O'Keefe, DANIEL JOSEPH O'KEEFE, forced his knee into the right side of ronald, [According to The Oregonian Newspaper article by Noelle Crombie, entitled; Deputy's alleged beating of defendant in court prompts investigation, it was reported that (O'Keefe) "the deputy said he then delivered "10-12 knee strikes" to Strasser's side and back." Also reported; 'Joe' Manley said Stasser's encounter with O'Keefe after

O'Keeffe asked his supervisor, Sgt. Corey Smith, to be assigned to the courtroom where Strasser's case would be heard so he could assault him. STRASSER is known to deputies at the court building, Manley said. At the time, Manley said he was in the sheriff's court office watching monitors of surveillance footage when Strasser appeared on one of the screens. "I just want a reason to beat the crap out of him," Manley recalled O'Keeffe saying that day. "He's going to give it to me." Manley recalled that Smith said OK. Manley said O'Keeffe bragged about the altercation later that day.] smashing his rib's, his head with his elbows and forearm, as a weapon, pulling ronald's hair from his head and beard, while Deputy Daniel J O'Keefe, DANIEL J O'KEEFE was screaming "give me your right hand or I will Taze you, ronald, replied I can't you have my hands I cannot move them, and at that time, six (6) other Clackamas County Deputies did come into the courtroom and went to ronald, he was not moving, completely subdued on the floor when the five (5) of them again began to apply tortuous, physical locks and pressure holds on ronald's legs with such force in an attempt to break the right leg of ronald and his left arm and wrist, when ronald screamed out (Tortis viribus) as loud as he could yell, to the so-called peace officer's deputies due to unrelenting pain and force; "please you're going to break my leg and then the same was done to his left arm and I ronald, screamed (Tortis viribus) out loud again my left wrist and arm "you're going to break-it." Then, the other deputies continued the assault and battery on ronald, jerking and injuring his, arms, wrist, legs, head,throat, ribs and all over his body.

That daniel joseph O'keefe, did, after assaulting me and upon being forced into the dungeon-cage, in the basement of the court building, did stand outside the cage taunting at me, laughing at me and mocking my so-called beliefs, in the Constitution, which he stated hows it working for you now? i did not respond and i did request the camera footage from those moments to, none was provided.

That, ronald, at no time ever attempted, to protect himself, as he was mercilessly beaten into unconsciousness by deputy Daniel Joseph O'Keefe, DANIEL JOSEPH O'KEEFE and the other deputy's, Greg Kepplar/law enforcement officers, deputy Daniel J O'Keefe says that 'Mr. STRASSER' your under arrest. Note; no crime was committed by ronald (no injured party and/or no damaged property) (See; the Strasser court video combined with audio 2mpg in the record of the court, incorporated herein and made a part hereof by this reference)

That, ronald, has been diagnosed with PTSD (post-traumatic stress disorder) from legal abuse syndrome, being abused by Clackamas County the first time, Multnomah County and Yamhill County officers and officials since 1974, and ronald has had four operations on his right leg and two on his left leg, ronald has been classified disabled and has a prolapsed rectum caused by the beating, the trauma, from the tyranny and oppression, damage to the ulna nerve, from the assault and beating and caused injury to the shoulders, throat, arms, hips, legs and cause injury to the corpus delicti.

Also, ronald, again was injured, when safeguards from the first amendment to the bill of rights were ignored by administrator/judge, Jeffery S Jones / JEFFERY S JONES, District Attorney, Sheriff Deputies, etc., however in this case matter the State of Oregon by and through the D.A./prosecutor failed and/or refused to prove jurisdiction.

That, said assault and beating was in the Clackamas County Circuit Courtroom, on camera, with four (4) other female witnesses, now in evidence, made a part herein, seated outside of BAR and Julian Tavera (affiant), and ronald i.e., the injured party, was there, under threat, duress, coercion under *vi et armis* (under force and arms).

That, was, mailed a certified letter (#7017 2400 0001 1523 1244) on July 10, 2018 entitled; 'REQUEST FOR PUBLIC DOCUMENT(S) DISCLOSURE IN THE NATURE OF A 'FOIA.' To John S. That, was, mailed a second certified letter (#7018 0680 0000.5258 5294) on August 20, 2018 'REQUEST FOR PUBLIC DOCUMENT(S) DISCLOSURE IN THE NATURE OF A 'FOIA.' To John S. Foote, District Attorney for Clackamas County of which his reply was a copy of his previous response ...send \$102.00 for a copy of the court file of all documents and filings! copies of his 'REQUEST FOR PUBLIC DOCUMENT(S) attached hereto.

At all times per this matter the State of Oregon and Clackamas County by and through District Attorney John S. Foote failed and refused to prove personum and subject matter jurisdiction over the sentient man; Ronald-Kenneth:Strasser, supported by previous 'Affidavit of Default' filed in this matter – Case #16CR07655 and by and through said District Attorney John S. Foote; failed to prove certain essential elements of fact and in actuality were never established per the D.A.'s failure to prove jurisdiction so there was no lawful cause of action, as no other natural man, was injured and no property was damaged as applied to the common law, and if District Attorney John S. Foote had proven jurisdiction the essential elements would have been established to support the cause of action as filed against the Trust/Estate; STRASSER RONALD KENNETH, ens legis, as none was presented to ronald-kenneth, whom, never consented nor agreed to assume the liability filed and/or imposed upon the Trust/Estate; RONALD KENNETH STRASSER, ens legis and ronald does not believe any such jurisdiction or essential elements existed to be in an 'administrative court/tribunal in the first place and that ronald, did rebut the 12 Presumptions of the administrative court/tribunal ...with no counter rebuttal or otherwise ...just silence, which equates to agreement. See; Affidavit of Default' filed in this matter as attached hereto.

Note; whereas, it is a fundamental principle of law including and limited to all law enforcement officers, liability extends to acts or omissions that arise within the scope of their employment regardless of engagement in investigative or law enforcement activity, or are executing a search, seizing evidence, or making an arrest. See for reference; MILLBROOK v. UNITED STATES 477 Fed. Appx. 4., therein deputy Daniel O'Keefe, DANIEL O'KEEFE and/or the other deputy/law enforcement officer's assault and battery was intentional.

Note; ronald-kenneth:strasser, a sentient man, not a party to, this State /The State of Oregon, the Constitution, not named in State statutes, not a corporate officer, as agreed by Multnomah, Clackamas Counties and Yamhill County, by un rebutted affidavit/default agreement(s), and Order of Dismissal (Multnomah County), and ronald having PTSD, also physically crippled in both legs, having injured no man, nor damaged property ...was in honor, under threat, duress and coercion, was without cause, intentionally assaulted and beaten in the court room on 6 July 2017, with witnesses, on camera, by principle director, the so-called, judge Jeffrey S. Jones, apparently the modus operandi of the named tort feasons.

Note; this notice of tort, claim is continuation of a notice of tort, claim, hand-written, dated 28 August 2017 as was noted, by ronald-kenneth while held in the Clackamas County Jail.

Notice; due to fraud by tort feasons of this claim matter, there is no statute of limitations.

Ronald-Kenneth:Strasser/ronald-kenneth:strasser reserves all rights at all times and waves no rights at any time and reserves his right to amend this notice of tort, add additional tort feasons.

add additional injuries under necessity and ronald-kenneth: has not surrendered any of his rights granted him by the Creator, or his unalienable rights, to any, Agency/Corporation of this state, the State of Oregon, including but not limited to Clackamas County and/or the administrative services of the so-called court.

The claim herein demand the sum certain of \$750,000,000.00 (Seven Hundred and Fifty Million Dollars and no cents) (USD) or credit of account) for his damages, as set out herein, as a result of the injuries caused by the assault and battery, pain and suffering, humiliation, embaessment, libel and slander, emotional and physical distress, expenses, etc., and constitutional impermissible application of the statute(s) engaged by tort feasons named above being officers and officials of Clackamas County/State of Oregon.

The monetary damages are a sum certain \$850,000,000.00 (Eight Hundred and Fifty Million Dollars and no cents) (USD) or credit of account.

[Please note that the monetary damages alone for 56 nite's of unlawful incarceration, pursuant to; TREZEVANT V. CITY OF TAMPA, 741 F.2nd 336 (1984) ... is more than \$93,000,000.00 (Ninety Three Million Dollars) USD.] (and already settled Clackamas County and Oregon cases), and can be added if necessary upon agreement.

Lis pendens is in effect on all property of all officers/tort feasons per this matter, under necessity, in the interest of justice.
